

## SUPPER CLUBS GENERAL INFORMATION GUIDE

The core of our mission is to connect people in real life not on social media. A return to friends sitting around a table talking and sharing life's ups and downs is a way to return to stronger relationships and better civil discourse. The concept is to gather five or six couples or a small group of friends monthly to solidify support systems that are so badly needed in today's culture. It can be a combination of old and new friends!

### MISSION:

- To encourage a return to 'in real life' quality time among like-minded Patriot friends -- fellowship, fulfillment, and fun.
- To network, build stronger relationships, solidify support systems, and to foster more civil discourse.

### PRINCIPLES:

- *Focus Local*. Impact is greater when closer to home.
- *Cooperate*. Freedom-loving individuals can build healthy families, groups, neighborhoods, and society together through cooperation.
- *Set a good example*. A successful group or individual can be an example for others if they are willing to share their story. It works better than force.
- *Freedom of Choice*. Individuals have the right to choose for their own lives and the lives of their children.
- *Sovereignty / Decentralization / Laissez Faire*. FindaPatriot is not a government; there is no charter. Each local supper club has its own authority and operates independently. Individuals choose and form their own supper clubs, operating freely.
