

STARTING A NEW SUPPER CLUB

The core of our mission is to connect people in real life not on social media. A return to friends sitting around a table talking and sharing life's ups and downs is a way to return to stronger relationships and better civil discourse. The concept is to gather five or six couples or a small group of friends monthly to solidify support systems that are so badly needed in today's culture. It can be a combination of old and new friends!

THANK YOU FOR STEPPING UP!

HOW TO DO IT:

- 1) Fill out the form on the Supper Clubs Website and choose 'Have space in an existing Supper Club.' Use the 'Attendees' field to define how big your group will be.
- 2) Print the Supper Clubs General Information flyer found on the Supper Clubs Website.
 - Give a copy to like-minded friends
 - Post it at your local bulletin board
 - Take it to one of the local Patriot businesses listed in the FindaPatriot Business Directory
- 3) Click the pins on the Supper Clubs Map that were added by others in your area to indicate interest in finding new groups such as yours. Use the provided contact form to introduce yourself! Exchange contact information, determine a way to communicate (phone, group text, or email perhaps), and schedule the first Supper Club.
